Sci-Tech Discovery Center, Inc. is a 501(c)3 non-profit organization that relies on contributions to support the important mission of bringing hands-on discovery experiences in the essential areas of science, math and technology. Our goal is to inspire interest and provide innovative educational programming in these areas to reinforce how our community values the long-term success of our students, the work force, and the economy. Sci-Tech Discovery Center also enables families to have fun and learn together by providing what we call Mind-Stretching Fun®. It is funded through a combination of philanthropic gifts and earned income.
