

Sci-Tech Discovery Center

Corporate Annual Gift Agreement

Yes! We want to inspire a new generation of scientists, engineers, innovators and educators.

Introducing the Sci-Tech Discovery Center Brain Trust

The Corporate Brain Trust is a special group of corporate donors who make a 3-year annual commitment of \$1,000 or more per year. It is this especially generous group that ensures that the important mission of bringing hands-on discovery experiences in the essential areas of science, math, and technology reaches our community of students and families for years to come. **Members of the Brain Trust will receive special recognition on the donor wall, website, and at the annual donor-appreciation event.**

Of course, one-year contributions are also greatly needed and gladly accepted.
